

Laughter In The Rain (KDM-106)

Called by: Chris Froggatt

Sydney, Australia

Opener

(Circle left)

Strolling along country roads with my baby
It starts to rain, it begins to pour
Men star right go one time around now
Left allemande and weave that ring
Oo I hear laughter in the rain
Swing your girl, you promenade you go
Oo how I love the rainy days
And the happy way I feel inside

Figure - twice for Heads, twice for Sides

Heads pass the ocean, ladies trade, extend
Swing thru go two by two
Men run right, now couples circulate
Bend the line, right & left thru you turn and go
Star thru, pass thru, trade by
Left allemande, come back and promenade you know
Oo how I love the rainy days
And the happy way I feel inside

Middle Break and Closer

Four ladies chain, you turn with that girl
Roll away, you circle left and go
Four ladies roll away, circle the ring
Left allemande and weave that ring
Oo I hear laughter in the rain
Swing with your girl and promenade you go
Oo I hear laughter in the rain
And the happy way I feel inside
